Navitas academic merit scholarship

The Navitas Academic Merit Scholarship is awarded each year to the most outstanding results from two students across all UTP programmes at a Navitas Pathway College or Managed Campus.

Value

The scholarships are one academic semester or part thereof (equivalent to the maximum of up to five academic subjects) for a Navitas Diploma, Advanced Diploma or Associate Degree (Australia), UTP Stage II or Associate Degree (Canada), UPP or IUTP (USA) or Undergraduate pathway program (UK) at a Navitas college or one academic semester of foundation or undergraduate study at La Trobe University Sydney Campus, Curtin University Sydney, Curtin Singapore or Macquarie City Campus or one academic semester of a Master's program at Curtin University Sydney, Curtin Singapore or Macquarie City Campus.

Any additional costs, including travel or material such as books or equipment required as part of program will be recipient's responsibility. For programs that articulate directly into a university degree program, the scholarship will cover only the Navitas member institute components of the program for the semester.

Eligibility

Applicants must:

- Be continuing (current) student, enrolled and studying towards a Navitas Diploma, Advanced Diploma or Associate Degree (Australia), UTP Stage II or Associate Degree (Canada), UPP or IUTP (USA), Undergraduate pathway program (UK), University Foundation or Bachelor Degree program (Australia) or Master's programs (Australia) or University Transfer Programme (NZ);
- Be currently studying full-time;
- Have achieved competencies in all courses across their current program (for which the scholarship is applied for) in the semester prior to being eligible for the scholarship; Not have any outstanding fees on their student account;
- Not have previously received a Navitas scholarship or bursary, or had a scholarship or bursary from Navitas withdrawn.

Conditions

- The scholarship applies to the second semester of enrolment only or the final semester of study for an undergraduate/postgraduate program. Students are liable to pay for any additional courses / subjects undertaken.
- Successful recipients will not receive any money from the Navitas member institution. The value of the scholarship will be recorded on the student's account during their second semester of study or their final semester of study for an undergraduate/postgraduate program.
- Scholarship recipients must maintain satisfactory academic progress through their second semester of study or final semester of study for undergraduate/postgraduate programs to retain their scholarship.
- Scholarships are not transferable to other students or Navitas member institutes in any circumstances.
- Navitas member institutions reserves the right not to award all or some of the scholarships in a given year.
- Scholarships cannot be backdated.

Selection Criteria

Selection will be based on:

- Academic results (GPA) from their previous semester of study. Should two students have identical academic results, the scholarship panel will refer back to marks awarded within each subjects/course to ascertain the scholarship recipient.
- Additional factors such as educational disadvantage, member of specific equity group and/or significantly adverse personal circumstances may be taken into account where the scholarship panel must differentiate between equally qualified applicants.
- Outcome of scheduled interview (if required)

Application instructions

Students are not required to apply for the scholarship as it is awarded based on academic performance and ALL students are eligible.

Student Testimonials

"The diploma program at La Trobe College gave me a chance to discover my passion for science and focus on developing skills that will help me pursue a career in research."

- Byron
La Trobe College Australia, Melbourne

"The Foundation Program at Griffith College provided far more than the academic qualifications I needed to start my diploma. It taught me the importance of time management and study structure – and it really helped me improve my communication and social skills too."

- Michelle
Griffith College, Brisbane

"Eynesbury welcomed me with open arms, showed me that being in a different country shouldn't make me scared but rather gain courage and achieve more. This school is special because they have a unique system that allows students to make our way to a better future."

- Collett
Eynesbury College, Adelaide
