

TASMANIAN INTERNATIONAL SCHOLARSHIPS v

The Tasmanian International Scholarship (TIS) provides commencing international students with a 25% reduction in registered tuition fees for the duration of their course (provided satisfactory grades are maintained).

All international students who submit an [International Student Application](#) to study in an undergraduate degree (with the exception of the Bachelor of Medicine and Bachelor of Surgery, Bachelor of Dementia Care and AMC Seafaring courses) will be automatically assessed for the TIS Scholarship by our Admissions Team.

This scholarship is also available to international students applying for postgraduate coursework degrees (with a few course exceptions).

Available to all commencing international students who submit an application to study one of the eligible programs offered.

Generally, applicants will require the equivalent of an overall B+ average or higher, depending upon the course and scholarship eligibility requirements (with the exception of the Health courses as shown below). As qualifications and grading scales can vary significantly from country to country, your eligibility will be assessed by an Admissions Officer.

College of Health and Medicine Courses

As a limited number of scholarships are available for eligible health programs, selection for these scholarships is very competitive and will be based on exceptional achievement in studies at secondary, diploma and degree level programs.

Scholarships are available for eligible health programs, selection for these scholarships is very competitive and will be based on exceptional achievement in studies at secondary, diploma and degree level programs.

To be considered for a College of Health and Medicine TIS, applicants will require the equivalent of a minimum 'A' average (80%) or higher in their previous studies, depending upon the course and scholarship eligibility requirements. Successful applicants must return their acceptance with payment by the date specified on their offer letter to retain the award. Applicants will be notified in their Offer if they have been successful in being awarded a scholarship, provided final results have been submitted. Successful TIS recipients will find inside their Offer details of their Scholarship terms and conditions. Students should read their scholarship offer carefully. Please note that this scholarship is only available to commencing students. International Scholarships will not reassess current students based on their academic progress at UTAS.

Value

25% reduction in registered tuition fees for the duration of the course.

Apply

As students are assessed automatically for the TIS upon submission of their [International Student Application](#), there is no need to apply separately, nor do recipients need to apply for ongoing eligibility.
