The University of York International Pathway College

The University of York International Pathway College is based on campus at the University of York. This means you'll have access to University facilities and feel like a York student from your first day. At the Pathway College, you can study a Foundation Certificate, which will allow you to gain entry to the 1st year of an undergraduate degree.

Benefits of studying at the College include:

- guaranteed entry to the University of York when you pass your course at the required level with good attendance.
- access to University resources, including libraries, IT suites and sports facilities.
- a range of dedicated support services, including one-on-one academic support.

Foundation Certificate Scholarship

We are delighted to announce an exciting range of new scholarship opportunities for students from Malaysia, Singapore and Brunei. If you start your pathway course in Autumn 2021, you will be eligible for a scholarship of between £2,000 and £5,000.
