

## INTO NCL Joint Venture Scholarships 2021-22

The INTO NCL Joint Venture Scholarships are ‘match funded’ scholarships whereby 50% of the award is deducted from the foundation tuition fee and the remaining 50% will be discounted by Newcastle University if the student successfully progresses to their chosen progression degree.

### How much are the awards worth?

- The scholarships are either 20K or 10K - these amounts are fixed and are not divisible.

Value	INTO NCL contribution (deducted from foundation fee)	Newcastle University contribution (deducted from first year fee)
20000 Award	10000GBP	10000GBP
10000 Award	5000GBP	5000GBP

### Who is eligible?

- The awards are only available to **new International Foundation** students (3 term only).
- The second tranche will only be payable if the student successfully progresses to Newcastle University.
- Students must be self-funded only (sponsored students are not eligible).

### Selection Criteria

- Students can be selected and nominated by the appropriate regional office
- Students must be *academically high performing* students with potential to be future student ambassadors.
- Where a regional office holds multiple awards they should be allocated to different Foundation Programmes if possible.
- Awards can be allocated for September 2021 or January 2022 intakes.
- Scholarships cannot be transferred to another institution or another academic year.

### Can the awards be combined with other foundation or progressor scholarships?

- The JV Scholarships cannot be combined with other awards – including regional office scholarships or other university progressor scholarships.

### Nominations/Applications

- Students must complete the International Foundation Scholarship Form and submit to the relevant regional office contact.
- If nominations are not received by this date awards may be transferred to another region.

### When is the closing date?

Regional Offices should select and nominate recipients by:

- 25 June 2021 for September 2021 entry; and 26 November 2021 for January 2022 entry.
