

Our Scholarships

Scholarships give you peace of mind and let you make the most of your time studying.

Unlike other universities, you don't need to spend hours searching through our scholarships.

Our generous range of support packages provide international students with financial and academic support across all disciplines. We reward talent and hard work, while also recognising individual needs and diversity.

When you apply to study with us, we'll find the right ones for you. Whether you're after financial support, recognition for your achievements, help with relocation or your English skills, we have something for you.

These are just some of the scholarships and support packages on offer in 2022. You can find a full list on our website, along with terms and conditions.
