offer to a full-time postgraduate taught degree programme starting in January 2022. Before your scholarship application will be considered. If applying for postgraduate research programme you must start during the 2021/22 academic year.

If you're applying for a postgraduate taught degree programme, you'll receive a scholarship award equivalent to a 15% reduction of your tuition fees, which will typically be £3,280.\*

We also have a number of Dean's International Excellence Awards available for postgraduate taught students joining us for January 2022 study, worth £8,000 and £5,000. Applicants only need to submit one application form to be considered for both scholarships, and the closing date to be considered for the Dean's International Excellence Awards is 30 November 2021.

If you're applying for postgraduate research degree programme, you'll receive a scholarship award equivalent to a 15% reduction of your tuition fees for each year of study. Postgraduate research degree applicants can apply year round for the scholarships.

\* The amount varies for selected programmes with a different tuition fee, including programmes within Architecture & Biomedical Engineering.

## University of Strathclyde Performance Sport Scholarship

Closed

The University of Strathclyde Performance Sport Scholarship Programme aims to enable talented student-athletes who are regularly competing at International level to follow a dual career. Consequently, the programme provides academic flexibility (where feasible), World-Class sports science and medical support, and financial assistance towards training and competition costs.

The Performance Sport Scholarship Programme is offered on a one-year renewable basis based on the Performance Sport Panel's review of applications each year.

Performance Sport Scholars are provided with a comprehensive support package equating to a cash equivalent of up to £4,750 per year funded through generous donations from the University of Strathclyde Alumni Community.

<b>Nationality</b> Various	<b>Subject</b> Any
<b>Level of Study</b> Undergraduate, Postgraduate Taught, Postgraduate Research	<b>Mode of Study</b> Full Time, Part Time
<b>Helps with</b> Living costs, Equipment and study costs	<b>Value</b> up to £1,000 (+ up to £3,750* in-kind support)

financial assistance towards training and competition costs.

The Performance Sport Scholarship Programme is offered on a one-year renewable basis based on the Performance Sport Panel's review of applications each year.

Performance Sport Scholars are provided with a comprehensive support package equating to a cash equivalent of up to £5,750 per year.

<b>Nationality</b> International	<b>Subject</b> Various
