

## New Baylor scholarships help students achieve a top-75 education

We are excited to announce these new undergraduate scholarship opportunities for Baylor University to help your students access a degree from the #75 university in the U.S. Baylor has committed to ensuring a top education for international students by offering these scholarships to new undergraduate students, most of which can extend into years 2-4 at the university.

### Undergraduate Scholarship Opportunities

- Annual scholarships up to \$21,000 per year
- International Year (IY) and Direct Admit scholarships available for all four years of study
- No new progression criteria to maintain annual scholarship & maintain 2.5 GPA for years 2-4

### Why Choose Baylor

Baylor University is the total package – a prestigious, top-ranked education, a true American campus experience, and a supportive community throughout your students' studies and beyond graduation.

Ranked #33 in the U.S. for Best Undergraduate Teaching, your students can choose from 120+ degrees to achieve their goals from a wide variety of top-ranked programs including majors in Baylor's Hankamer School of Business, ranked #74 in the nation, and more:

- #9 Entrepreneurship
- #58 Accounting
- #114 Best Undergraduate Engineering
- #135 Computer Science

Baylor's location in Texas offers incredible potential for internships and employability. With the 2nd largest economy in the U.S, Texas is ranked #1 in US for employment growth prospects (Forbes.com) and home to 50 Fortune 500 companies, many of which hire Baylor students and graduates.

Ranked #4 in the U.S. for student engagement, Baylor is known for its tight-knit, welcoming community known as the "Baylor Family" which students become a part of from day one.
