UNDERGRADUATE

Regional Awards

Malaysia

All future undergraduate students residing in Malaysia can now experience the West Coast’s most valuable degree at the top 100 ranked Oregon State University with a \$16,000 scholarship in all four years. As a Tier 1 Research university that combines high-quality academic standards with experiential, hands-on learning experiences both inside and outside the classroom, the Oregon State University undergraduate degree is highly valued by OSU’s 600+ industry partners such as INTEL, Nike, Adidas,

Nvidia and TESLA. With the perfect campus study environment and unparalleled student support for all international undergraduates, students enjoy high levels of personal and academic success. The outcome is that OSU graduates earn \$20,000 more per year than the U.S. national average - *US Department of Education College Scorecard 2022*

Undergraduate Degree Program

We offer several routes to admission. With more than 200 bachelor's degrees, flexible study plans and start dates throughout the year, we will help you find the option that is right for you. There is no need to stress about where you start; just focus on where you're going. We don't design our

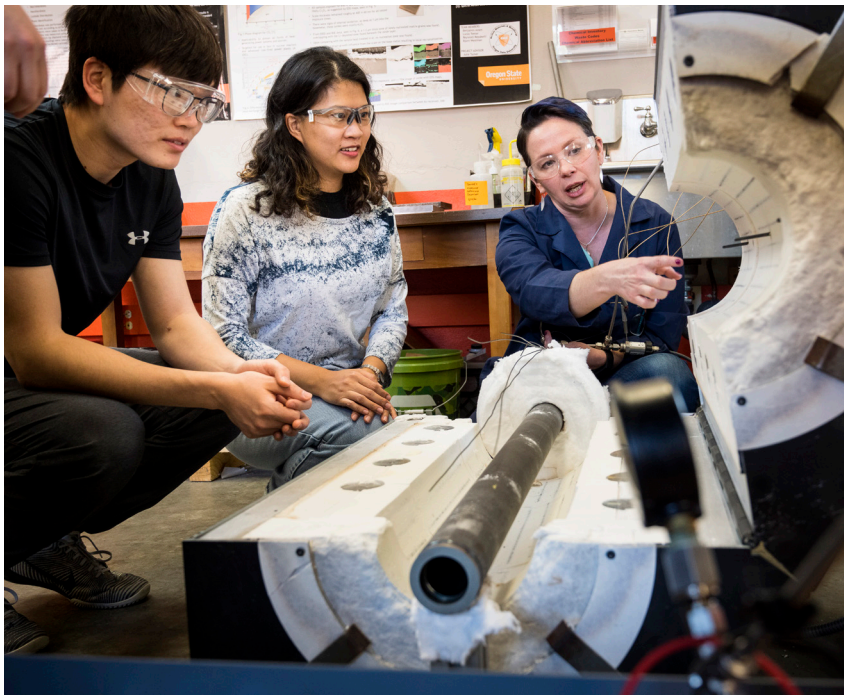

programs for one type of student; our programs are built for everyone. Where you begin depends on your grades and English level. Where you end up is where you want to be: graduating with a bachelor's degree from Oregon State University.
