

The University of Strathclyde GREAT Scholarships 2023

The University of Strathclyde has received approval for a British Council GREAT scholarship specifically for a Malaysian student. The successful recipient will receive a £10,000 tuition fee discount (funded 50% by British Council and 50% by our Faculty of Engineering).

These scholarships are for programmes in the areas of climate change and environmental sciences. As a result, the programmes to be included are:

- MSc Environmental Engineering
- MSc Sustainability and Environmental Studies
- MSc Sustainable Engineering: Renewable Energy Systems & the Environment
- MSc Sustainable Engineering: Offshore Renewable Energy
- MSc Sustainable Engineering: Marine Technology
- MSc Sustainable Engineering: Chemical Processing

Applications open on 1st November 2022 and close on 31 May 2023. Applications received after this date will not be considered.

To be eligible to apply for this scholarship at the University of Plymouth you must:

- be a passport holder of one of the eligible countries listed above;
- have an outstanding academic record (e.g. 1st class degree holder or equivalent) – this is determined by our reviewing your transcripts and applying a grade comparison tool from Ecctis;
- meet our [English language requirements](#) for the programme of application;
- have an unconditional / conditional offer letter from the University of Strathclyde for one of the programmes listed above;
