Contact your agent or Study Group representative to find out more.

Apply now to secure your discount.

“I look at myself before and I have really changed because I tell people now all the time, I have become more enlightened because I have become exposed to new things and new cultures. When I first got here it was more like a culture shock. But then making new friends and meeting new people in foundation and lots of international students, and then the British friends outside the College. That helped me to adapt, and I got to experience a lot of new things.”

Chukwuemeka

Studied International Foundation Year.
Progressed to LLB Law.
