

Save on your studies, boost your career

INTO»MANCHESTER

IN PARTNERSHIP WITH MANCHESTER METROPOLITAN UNIVERSITY

Follow in the footsteps of 40,000 students* who are shaping the world. If you're looking for a university that will give you industry-focused skills, internship opportunities and degrees with real-world value, INTO Manchester can help you get there.

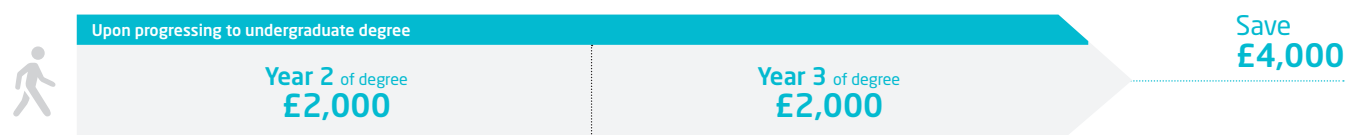

Confirm your place at INTO Manchester in partnership with Manchester Metropolitan University to get up to £6,000 off your tuition fees when you progress to your undergraduate degree.

Plus, you could also be eligible for a virtual internship. You'll gain valuable work experience at no extra cost to you.

International Foundation

International Year One

Am I eligible?**

- For international, self-funding students. Sponsored students aren't eligible.
- For INTO Manchester students accepted onto a full-time undergraduate degree*** starting in September 2023 or 2024 at Manchester Metropolitan University.
- Eligibility automatically assessed at point of successful admission.
- Scholarship awarded automatically upon enrolment, subject to meeting admission criteria.

Contact your **INTO representative** or **Education Counsellor** for more details and to confirm your place.

Your ultimate career boost

Stand out from the crowd with relevant work experience. Our virtual internship, included in all Manchester Met International Foundation and International Year One pathways, will help you develop the workplace skills employers demand.

- Work from anywhere in the world with a guaranteed 4-week remote internship.
- A choice of 18 career fields including business, engineering, finance, healthcare and IT.
- 5,000+ active and engaged host companies from 70 different countries.
- Coaching and support before and during the internship.

*HESA 2021/22
