

Prepare to thrive at university and beyond with INTO UEA

24/7 care and support with your study and future career

Study your International Foundation programme at our study centre on the UEA campus, where you'll live and learn with the best 24/7 care. We're here for you every step of the way, from the first day at INTO to the day you graduate from university.

Save on your studies with our Progression Scholarship

If you're a driven international student who has been accepted to study at INTO University of East Anglia, you might qualify for our excellent selection of progression scholarships. These scholarships could provide you with up to £5,000.
