

FIC 2024 SCHOLARSHIPS

At FIC, we believe in nurturing talent and empowering future leaders. This year, we're offering a range of scholarships including the Global Citizen Scholarship valued at \$5000, SEA Merit Scholarship valued at \$3000, New Student Scholarship, Women in STEM Scholarship, and Sustainability Scholarship valued at \$2500.

STUDENTS' SUPPORT

At FIC, students are a valued member of our supportive community and their wellbeing is our priority. Our dedicated advising team and instructors will help students adjust to life in Canada and will enable them successfully transfer into the second year at SFU.

FIC also provide essential mental health support, ensuring that students have the resources and care they need to maintain emotional and psychological well-being throughout their academic journey.
