MSc Actuarial Science Scholarships

Details

Name	MSc Actuarial Science Scholarships
Level	Postgraduate
Nationality	UK, International students
Availability	Postgraduate UK and international students

The scholarships are automatically awarded once you have applied for the course and will be part of the offer letter sent to you if your application is successful.

The discount is applied to the Year 1 fees of the 2-year MSc Actuarial Science and Management programme.

The scholarships available are:

- International Actuarial Impact Award (for the international students, £5K reduction)
- UK Actuaries of the Future Award (for the UK students, 50% fee reduction)
