Award-Winning: In 2022, our International Business School was shortlisted for the Times Higher Education 'Business School of the Year' Award. The submission outlined the Business Schools' commitment to entrepreneurialism, as well as equipping students with the skills and connections they need to make a difference in their next steps. [Click below](#) to read more.

Professional Facilities: With over £4 million invested into our Queen's Park campus, we believe that Chester Business School is the perfect setting for students to begin their exciting business careers! Our facilities include modern computer suites and a dedicated business library with group study spaces and quiet study pods. It also holds a 200-seat lecture theatre and mixed teaching rooms equipped with the latest AV equipment.

Feel free to reach out should you need anything else, thank you!
