Southern Cross University Branch Campus Merit-Based Scholarship for applicants applying from outside Australia

This Scholarship recognises and celebrates the achievement of students, offering up to \$24,000 over 3 years for undergraduate and up to \$16,000 over 2 years for postgraduate international students who achieve meritoriously through their degree.

How do I apply for the scholarship?

The application and selection processes are automatic except where a student chooses not to participate.

While the application and selection processes are automated, students will sign to acknowledge understanding and agreement to the Terms and Conditions as part of the Admissions process.

Who can become Merit-based Scholars?

The key criterion for future students is that they are international students applying from outside Australia, including any country in South East Asia; as well as those applying from Nepal, Bangladesh, Sri Lanka, Pakistan and Bhutan who meet the minimum admissions entry criteria, studying eight units in their first year.

Future students will be offered a \$8,000 fee reduction in the first year.

Continuing students will be eligible to receive the same opportunity or a portion thereof in a merit-based structure determined by GPA. GPA thresholds are as follows:

- > Course GPA 4.0 to 5.4 — \$5,000
- > Course GPA 5.5 to 7.0 — \$8,000

When will the Merit-Based Scholarship be offered?

The scholarship will be offered to commencing and current students during the March, July and November 2024 intakes.

The Southern Cross University Branch Campus Merit-Based Scholarship is a high-value award available to students who continue to excel academically throughout their degree.
