

Aberdeen Global Scholarship (General)

Description

Please note, this scholarship is only available for Aberdeen campus students.

The University of Aberdeen is delighted to offer the Aberdeen Global Scholarship to international students starting in January 2024, September 2024, or January 2025. This is a £3,000 tuition fee discount open to eligible self-funded taught Masters students who are classed as international fee status and domiciled in one of the countries listed below. The scholarship is not available to students studying PGDE degrees.

The scholarship is open to international fees students registering for full-time on-campus programmes, who don't receive an externally funded scholarship from elsewhere, or any other University of Aberdeen scholarships (excluding awards made by the University of Aberdeen Development Trust).

We look forward to welcoming you to Aberdeen.

Application Procedure

You will be awarded your scholarships as a tuition fee discount and the value of the scholarship will be included in your CAS letter.

Please check that you have firmly accepted an unconditional offer and that you have sent us confirmation of funding.

Please note, you do not need to apply for this scholarship, all eligible students will receive the scholarship as a fee discount.

There is no deadline as no application is required for this scholarship.
