

University of Greenwich International Scholarships Award

International students who hold an offer to study at the University of Greenwich could receive a tuition fee discount worth up to £5,000 in the first year.

Am I eligible?

To apply, you will need to meet the following criteria:

- You have been offered a place to begin a course in April 2024 or September 2024.
- You will pay fees at the international rate.
- You are not receiving any other scholarships from the University or another source.

Demand for our courses changes over the course of the academic year. As such the International Recruitment team will withdraw programmes for award consideration at short notice.

EU nationals domiciled in the EU are not eligible for this award but may be eligible for our EU bursary.

University of Greenwich International College (UGIC) students who are progressing to the university component of their course will be considered.
