2024 SCHOOL ACHIEVERS STUDY AWARDS **SASA**

The award is in the form of a course fee waiver up to 100%.*

HELP University's School Achievers Study Awards (SASA) was introduced in 2005. It is offered to deserving school students to study at HELP University where they will be nurtured with qualities for excellence and significance beyond academic achievements.

We are looking for candidates with all or one of these three criteria:

- An influencer with followers and supporters on social media and has a growing portfolio.
- A leader with extraordinary extra-curricular activities.
- A sportsperson who represents your school, district, state or even the country.

If you have what it takes, we want you!

*Subject to terms and conditions

WHY STUDY AT HELP

Classified as top tier **BERDAYA SAING** in the **SETARA 2022** rating (HELP University) and **MyQUEST 2022** rating (HELP Academy)

Higher Education Institutions categorised as 'BERDAYA SAING' (competitive) are those with the capacity to compete at an elevated level. These institutions have been assessed and classified as excellent institutions that meet the criteria for teaching and learning, research, as well as service under the evaluation system to measure the quality assurance and standards of Higher Education Institutions in Malaysia.

This is the highest rating level and HELP is proud to have attained it.
