Transform Together Scholarships

How you can apply for Transform Together Scholarships as an international student.

We value high-achieving international students at Sheffield Hallam University. Our Transform Together Scholarships are meant for you as you start your full-time taught course.

We award these scholarships based on a demonstration of your excellent academic achievement and your potential to represent the University as an ambassador.

We are currently accepting scholarship applications for courses starting in January 2025. The closing date for applications is 01 November 2024.

We are no longer accepting scholarship applications for courses starting in September 2024.

What you could get

A half fee waiver (50% discount) is available for full time undergraduate and postgraduate taught courses.

Undergraduate scholarships apply to the first year of study only.

Transform Together scholarships

- are applied as a tuition fee reduction
- cannot be transferred or deferred to a later start date.

Remember, you can only receive one scholarship or award for each course of study.

If you are applying at postgraduate level, you also need to:

- be entering postgraduate study for the first time, have not been awarded a postgraduate qualification either in the UK or overseas in the past. Transform Together postgraduate scholarships are strictly for students progressing from undergraduate to postgraduate study.

You cannot apply if you:

- are already enrolled upon the Sheffield Hallam University course for which you are applying for a scholarship.
- have previously received a Transform Together Scholarship at the same level of study.
- are applying to study a Sheffield Hallam course at a partner institution outside the UK.
- are applying for a foundation programme.

If you are applying for a foundation programme, you will be able to apply for the scholarship when you progress to an undergraduate degree course.

We reserve the right to only consider applicants for a scholarship if they have accepted an offer for their course of study. We strongly advise applicants to accept their offer of a place on the course by the scholarship closing date.
