### FOUNDATION EXCELLENCE AWARD

Foundation students who have achieved Grade A (i.e. 70% average score and above) in Heriot-Watt University Malaysia's Foundation Programme will be awarded a RM 15,000 scholarship per year for the entire duration of their undergraduate study, subject to them achieving Grade A (i.e., 70% average score and above) in each academic year and the entire duration of study, failing which, the scholarship will be revoked with immediate effect and there shall be no continuation nor reinstatement thereafter.

### LEADERS WITH IMPACT SCHOLARSHIP

In collaboration with FWD Takaful Berhad and Yayasan Tunku Abdul Rahman, this scholarship supports Malaysian youth from B40 families and envisions to provide opportunities for greater participation, inclusivity for students from low-income families and improve the quality of lives of B40 community.

\*\* The Department of Statistics, Malaysia (DOSM) defines the B40 group as households with income below RM4,850.

We seek to provide this scholarship to up to ten (10) students who have completed SPM/STPM/UEC or equivalent examination. Successful candidates will be awarded with Leaders with Impact Scholarship with 100% tuition fee, and a cost-of-living allowance of up to RM1,300 per month for the entire duration of study.

The successful scholar is required to serve a scholarship bond upon graduation from the course, in the form of full-time employment, with the scholarship sponsor. The bond period is subject to the scholarship sponsor's policies and guidelines.

### WOMEN IN SCIENCE AND ENGINEERING (WISE) SCHOLARSHIP

Since opening our doors in Malaysia, we've made it possible for women in the ASEAN region to gain access to quality teaching and learning in the field of Engineering and Science. Committed to widening access, and reducing the gender gap in this field, we have developed this scholarship especially for woman who want to pursue a career in Engineering and Science.

Applications are open at both the Foundation and Undergraduate levels. Applications are accepted for those applying to both Foundation in Science and Foundation in Business with the intention to pursue any of the following undergraduate programmes:

- Civil Engineering
- Chemical Engineering
- Computing Science
- Electrical and Electronic Engineering
- Mechanical Engineering
