

# WE ARE THE UK AND IRELAND UNIVERSITY OF THE YEAR

Times Higher Education Awards 2024

Dear students,

We're thrilled to share some fantastic news that will help inspire students to choose Ulster University as their study destination for September 2025.

As you know, Ulster University has proudly been named UK and Ireland University of the Year (Times Higher Education Awards 2024). A recognition of the incredible experience and opportunity we offer our students. To celebrate this prestigious recognition, we're launching a new scholarship initiative designed to support and reward international students like never before.

## Introducing the University of the Year Dean's Scholarship

We're excited to offer a **£1,500 tuition fee discount** to eligible international students joining us in September 2025. Best of all – this is **in addition** to our existing **£2,000** International Scholarship.

That's a **total scholarship value of £3,500** for eligible students!

Even better, students applying to certain **Arts, Humanities, and Social Sciences** (AHSS) programmes may qualify for an enhanced award of **£2,200**, bringing the total potential fee reduction to an impressive **£4,200**.
