**£2,000 SCHOLARSHIP - IT'S NOT TOO LATE TO QUALIFY!**

If your students receive an offer within our **3rd scholarship window**, and pay their tuition deposit by **31 July 2025**, they may qualify for our £2,000 International Student Scholarship. Visit our website to read more about [the scholarship and eligibility criteria](#).

**CAS PROCESS CHANGE UPDATE**

**Starting in mid-July**, students will now be entered into CAS Shield as soon as their application becomes Conditional. This brings our process in line with the approach taken by most other universities that use CAS Shield.

The aim of this change is to give students earlier access to important information about the CAS Shield process and allow them to begin setting up their CAS Shield profiles sooner.
