[MSc Computing](#)

[MSc Computing \(Placement\)](#)

[MSc Computing \(Software Engineering\)](#)

Applications are now open for January 2026 entry.

International students are strongly encouraged to submit applications early to secure places, particularly for health-related and placement-based programmes which are highly competitive.

Supporting documents required typically include academic transcripts, degree certificates, English proficiency (IELTS or equivalent), passport copy, personal statement, and references.

The University of Northampton International Scholarship

The University of Northampton International Scholarship Scheme is a merit-based scholarship that provides up to a 30% reduction in tuition fees for every year of your study (excluding placement years).

All full-time Undergraduate and Postgraduate taught courses delivered on campus fall within the scheme and you will be considered for a scholarship on the basis of your academic achievement.

You do not have to apply for this scholarship separately from your initial application and you will be informed of the outcome in your offer letter.
