Terms & Conditions

1. Pathway Scholarships - The amount above is the maximum scholarship available for students applying to the program on intakes up to January 2026. Scholarship amount is exclusively for students applying from Southeast Asia (Indonesia, Malaysia, Singapore & Brunei) agency URN. The actual amount may vary depending on students' academic performance and time of offer acceptance. Amounts may vary, please check with our regional office team.
2. CITY - Progression scholarships are available for first year at City University of London with breakdown; 6 to Bayes Business School, 3 to School of Science & Technology, 2 to City Law School, 2 to School of Policy and Global Affairs, 1 to School of Communication and Creativity and 1 to School of Health and Psychological Sciences.
3. EXE - *Minimum of £3,000 scholarship guaranteed upon progression to year one at UoE, but up to £5,000 available for students who meet the following criteria: for all Faculties and departments except the Business School, scholarships of £5,000 will be awarded in 2024/25 to students achieving AAA equivalent (70%) and meeting our English language requirements. Exclusion also for BSc in Psychology.
4. NCL - An unlimited number of scholarship awards for students to International Foundation, Year One and Graduate Diploma students, subject to meet the qualification requirements outlined below upon progression to Newcastle University. Students must be self-funding. Sponsored students are not eligible. Students may be eligible to apply for other scholarship awards during their time at Newcastle University but can only hold one award per academic year. First year progression awards will depend on students' performance; 60% = £2,000, 70% = £3,000 and 80% = £4,000.
5. LAN - Students achieving 75% on any of the INTO Lancaster IFY's will automatically be awarded the Lancaster University Global Scholarship – Undergraduate. £2,000 for each year of undergraduate studies (so £6,000 over three years). Students achieving 70% on any of the INTO Lancaster PMP's will automatically be awarded the Lancaster University Global Scholarship – Postgraduate.
6. QUB - International Office Undergraduate Scholarship: Unlimited number of awards, award amount depends on degree fee rates, no application needed, awarded automatically once the student progresses to Queen's University Belfast. INTO Progressors Scholarship: Unlimited number of awards, pay the total tuition fees (Total tuition fees less any International Office awards including the INTO Progressors Scholarship) before deadline (normally mid-September). Queen's Excellence Award: Unlimited number of awards, eligible students who achieve 60% in first year after progression will be awarded a merit-based award of £3000 in the subsequent academic year (unless on placement, whereby the award will be made the following year). International Office Postgraduate Scholarship: Unlimited number of awards, award amount depends on degree fee rates, progressing to Queen's Business School will be awarded £6,000 including MBA, no application needed, awarded automatically once the student progresses to Queen's University Belfast
7. UEA – Excluded for MBBS, BSc Physiotherapy, BSc Occupational Therapy, BSc Speech and Language Therapy, BSc Nursing, MSC Global Plant Health, MSC Plant Genetics and Crop Improvement, MSc Occupational Therapy and MSc Physiotherapy, PGCert Clinical Education, PGDIP Clinical Education and MED SPD courses. Also excluding placement years, years in industry or years or semesters abroad or any other occasion where a student is not paying the full overseas fee.
