\* Scholarships are unlimited.

\*\* The Course Team will assess relevant work experience before confirming a course place/offering a scholarship.

# Considerations

- These attractive scholarships only apply to the January 2026 intake.
- They're available for any student, from any country.
- These scholarships will be awarded as a tuition fee reduction.
- They are not available as a cash alternative.
- We cannot guarantee funding for the following entry year for applicants who defer their place.
- The normal requirements to study at Cranfield University apply.
