

We are pleased to announce that students enrolling in the OIPC Foundation Programme at either our Oxford or London campus are now eligible for a **50% scholarship**, bringing the tuition fee down to **GBP 8,000**.

### **Programme Details**

**Progression:** OIPC partner universities (listed on our website – Course Progression - OI Digital Institute)

**Location:** Oxford and London

**Programme:** General Foundation

**Intakes:** January, April, September, and November

### **Why Choose OIPC?**

- Direct progression to a wide network of UK universities
- 95% of students who successfully complete the International Foundation progress to their first-choice university
- Strong academic and pastoral support for international students
- Central campus locations in iconic UK cities
- Small class sizes for personalised learning

We encourage you to share this opportunity with your friends who may benefit from this scholarship.

Applications for the upcoming January intake are now open.

Contact us now for more details for the application!
