

### **Faculty of Science Undergraduate Scholarships for International Students**

Scholarships of between £6,000 - £7,000 per year of study are available to new international students joining an eligible undergraduate degree in the Faculty of Science in the 2026/27 academic year.

Scholarships will be awarded on a competitive basis to candidates who hold an offer of admission and demonstrate excellent academic performance (current and/or previously gained) and any relevant extra-curricular or professional experience.

Scholarships will be awarded on a rolling basis. Awards may be allocated early in the application cycle and so making an early application for admission is advised.

**Number of scholarships:** Up to 25

**Value:** £6,000 - £7,000

**Opens:** 3 November 2025

**Deadline:** 31 July 2026

**Helps with:** Tuition fees

**Duration:** Annually for the duration of UG studies, subject to academic progression

### **Eligibility**

In order to be considered for a Faculty of Science Undergraduate Scholarship for International Students, candidates must:

- Be a new, international fee-paying student holding an offer of admission for either year one, or year two entry, to a full-time, Glasgow campus based, undergraduate degree in the Faculty of Science for the 2026/27 academic year.
- Have achieved excellent grades to date in their academic studies.
- Be self-funded. Students who receive full scholarships, for example from a government office or embassy, will not be eligible.

### **Subject eligibility**

Biochemistry, Biology & biological sciences, Biomedical science, Chemistry, Computer science, Forensic science, Immunology, Mathematics & statistics, Microbiology, Pharmacology, Pharmacy & biomedical sciences

### **Terms and conditions**

- Applicants must meet all of the above eligibility criteria to be considered for a Faculty of Science Undergraduate Scholarship for International Students.
- Applicants who have been awarded a scholarship will be notified within four weeks of submitting their scholarship application form.
- To receive their scholarship, awardees must enrol in the 2026/27 academic year and continue to meet all of the above eligibility criteria throughout their studies.
- The value of each scholarship will be between £6,000 and £7,000 per year of study. The scholarship will be awarded towards the payment of a student's tuition fee annually, subject to academic progression.

University of  
**Strathclyde**  
**Glasgow**

- Successful candidates will be selected on their academic performance (current and/or previously gained) and any relevant extra-curricular or professional experience. The allocation and value of awards will be based on the Faculty of Science's strategic priorities.
- Students who defer their offer of admission will not be eligible.
- Students who transfer to a degree out with the Faculty of Science will no longer be eligible to receive the scholarship.
- Scholarships will be awarded on a rolling basis. Awards may be allocated early in the application cycle.
- The deadline for consideration is 31 July 2026.
- Students are only eligible to hold one scholarship per academic year from the University of Strathclyde.
- The Faculty of Science's decision on the awarding of scholarships is final. Appeals will not be considered.
