STUDY CENTRE**

Only
£15,500
for tuition fee +
accommodation

Save on your studies with our Spring offer

Join us on campus next Spring and prepare for your degree with an all-in-one price-saving package.

Your fast-track to success next September

Starting in **March 2026**, the **International Foundation Business, Humanities, and Social Sciences** or the **International Foundation For Science and Engineering** will help you prepare for your degree in just six months – saving you time and money.

Live and study abroad for one great price

Live on campus with other international students while you study – and **save over £4,000** with our package. You'll find everything you need on campus, plus Belfast city centre within walking distance.

Bag a scholarship for bigger savings

Queen's University Belfast offers a range of scholarships when you progress to your degree, making studying at this world-class, Russell Group university even more affordable.

International Foundation

Terms, conditions and eligibility criteria apply to progression scholarships. [Find out more.](#)
